## Our Priorities:

Health & Well Being, Future Horizons, Community Integration

## Our Values:

Trust, Equality, Partnership, Empowerment, Excellence

## Our Mission:

Working Together to Secure a Better Future for Young People.

## Our Vision:

A vibrant youth service that provides inclusive, innovative and sustainable programs that seek to change a young person's horizons by improving physical, mental and emotional health and wellbeing. A place where doors open, not close

## Guiding Principles:

To achieve this mission, specific objectives are employed, guided by SCYS Inc. Strategic Plan. The intention and purpose of SCYS Inc. is;

-  To provide appropriate assistance and support to young people presenting with issues
-  To provide assistance through empowerment, to encourage and facilitate autonomy and the self-determination of young people.
-  To assist and support young people in gaining access to appropriate education, employment, training and recreational opportunities.
-  To provide advocacy for young people for a variety of issues.
-  To promote and provide information on healthier lifestyle options and choices.
-  To develop and deliver programs to meet specific needs of the client group.
-  To link young people and their families with appropriate resources and support services.
